Dear Sirs:

I support the FISTS Petition and support  
retaining Morse Code as a licensing requirement  
for Amateur Radio licensing. RM-10811.

CV was required and I found out a great  
way to go. Keeps me interested in Ham Radio.  
Try lot other modes and always come back to  
Morse Code.

Comments: Morse code uses minimal band width,  
requires relatively simple and inex-  
pensive equipment and facilitates  
international communications.

Comments: I support the above because  
if the code test is eliminated, the  
assault on the present band plan will  
ensue, Morse is the most power efficient,  
economical mode for newly licensed operators.
